PARTNER

BOUNCE SPORTS

We'd like to extend a warm welcome to our newest partner: Bounce Sports! Based in Belgium, Bounce is committed to making a positive footprint on the planet, specifically for tennis and padel. Their product consists of a tube that helps maintain pressurization in tennis balls, eliminating the need to purchase new balls frequently! They also recycle tennis balls and support the "circular" mission. Head over to their website to buy and learn more!

ADVANTAGE
TENNIS CLUBS

RECENT DONATIONS & SHOUT-OUT

We would like to thank Coach Joe Iwanski and the Dwight-Englewood Boys' Varsity Tennis Team for donating over 130 tennis balls for recycling! Scott Kim and G.R.I.T. Tennis in Bergen County, consisting of varsity tennis volunteers, also donated 230+ tennis balls.

We'd like to give a shout-out to **Advantage Tennis Clubs** in New York City for having started a GreenTennis Chapter. They have already recycled **over 8,000 tennis balls** since beginning in April, and are projected to continue recycling 3,000 tennis balls per month.
